

Model Policy to Address Bullying, Harassment and Intimidation

The _____ School Division believes that all students have a right to a safe and healthy school environment. Accordingly, the _____ School Division prohibits acts of harassment, intimidation or bullying of any student.

A safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate harassment, intimidation or bullying.

Behavior that infringes on the safety of any student will not be tolerated. A student shall not bully, harass, or intimidate another student through words or actions.
