

Type of Internship: Programs Intern

Equality Virginia is the statewide advocacy organization seeking equality for lesbian, gay, bisexual, and transgender Virginians. EV believes in creating a Virginia that is a safe, welcoming, and equal place for LGBT individuals and their families to live, work, and play.

Intern Responsibilities:

We will develop your internship goals together during the first few weeks of your placement. Please be advised that the following tasks may be included:

- Equality Means Business program support including: strategic outreach efforts to engage local business leaders, membership management, and website updates
- Cultivate LGBT-affirming faith communities and coordinate with regional transgender advocates to facilitate Transgender Advocate Speaker's Bureau programming efforts
- Manage and develop databases and statewide resource lists
- Assist with Virginia Transgender Information and Empowerment Summit (TIES) outreach, development, implementation, and data collection
- Update Equality Virginia website and resource pages as needed using WordPress
- Support the statewide safe schools program including: community outreach and education, district-by-district updates, and policy implementation

Intern Qualifications:

- Be able to work as part of a small and dedicated team
- Have excellent time management skills, good work ethic, and strong verbal and written communications skills
- Enthusiasm for the mission of Equality Virginia

Other: This internship is offered for university credit.
